

Figure 1 displays a hand on a sensor and a corresponding signal waveform. The top part shows a hand with a sensor on the palm, with a vertical dashed line indicating the measurement point. The bottom part shows a waveform with multiple channels (green, yellow, orange, red) plotted against time. Technical specifications are listed in the top right corner.

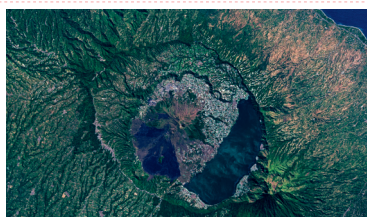

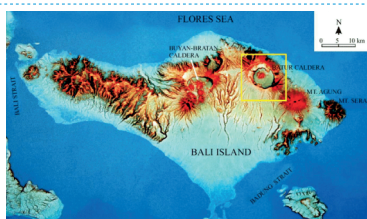

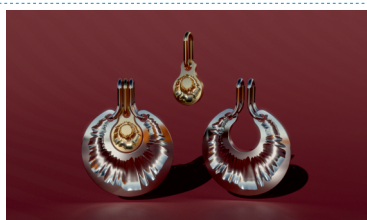

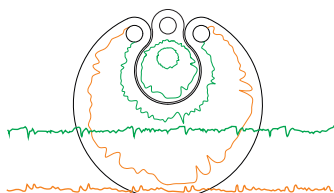

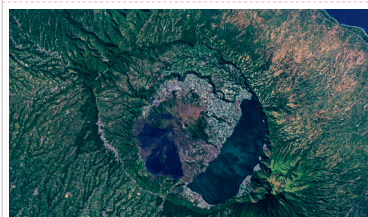

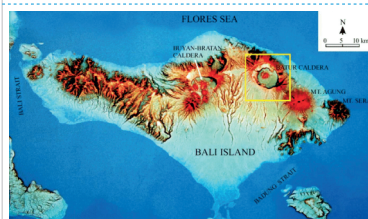

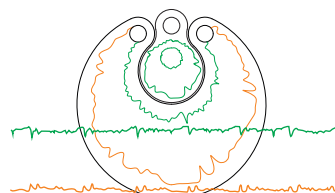

Figure 1 is a composite image. At the top, a photograph shows a hand resting on a sensor. To the right of the hand is a vertical scale bar with markings from 0 to 140. Below the hand is a multi-channel waveform plot. The plot has a vertical dashed line at approximately 100 on the x-axis. The y-axis is labeled with values 140, 100, 70, 30, and 0. The plot shows several channels: a green line, a yellow line, and a black line. The green line shows a sharp peak at the dashed line. The yellow line shows a smaller peak. The black line shows a sharp dip at the dashed line. On the right side of the plot, there are several labels: '140', '100', '70', '30', '0', '140', '100', '70', '30', '0', '140', '100', '70', '30', '0'. At the bottom right, there is a table of data:

CH	UNIT	VALUE
CH1	1.00	1.00
CH2	1.00	1.00
CH3	1.00	1.00
CH4	1.00	1.00
