Olga Arabova

Interdisciplinary artist and facilitator

Works with embodied attention, communication and participant experience. Within ODA.dream, she connects artistic concepts with facilitation: introducing a format, supporting group interaction and reflecting on the experience. She contributes to educational and participatory works.

Practice

Participatory and educational formats, embodied attention, communication and group facilitation. In artistic projects, she connects participant interaction with the work’s concept and reflection on the experience.

Education and professional background

The CYENS application biography records higher education at Astrakhan State Technical University, an ICF PCC coaching qualification, and training in embodied and dance-movement practices. Study dates and current certification status are not specified by the source.
